- spare charging cables (Lightning + USB-C)
- smart TV / streaming access instructions

Guest Essentials Supply List

Shopping/restocking checklist

Based on 7+ years of living in Airbnbs—these are the essentials that actually make a difference for both hosts and guests.

Small Touches that Make a Big Difference

- welcome note
- bottle of water or small snack
- local recommendations guide
- spare umbrella
- first aid kit

Pro Tips (from long-term Airbnb living)

- Duplicates matter:** Always have backups (towels, chargers, toilet paper)
- Visibility = usability:** If guests can't find it, it doesn't exist
- Consistency wins:** Restock the same way every turnover
- Think like a tired traveler:** Late check-ins reveal missing essentials

Turnover Reset Checklist

- restock all consumables
- check laundry & linens
- test Wi-Fi & lights
- empty trash & fridge
- reset “welcome setup”
